

Photo Day at Preschool

Verse
Photography

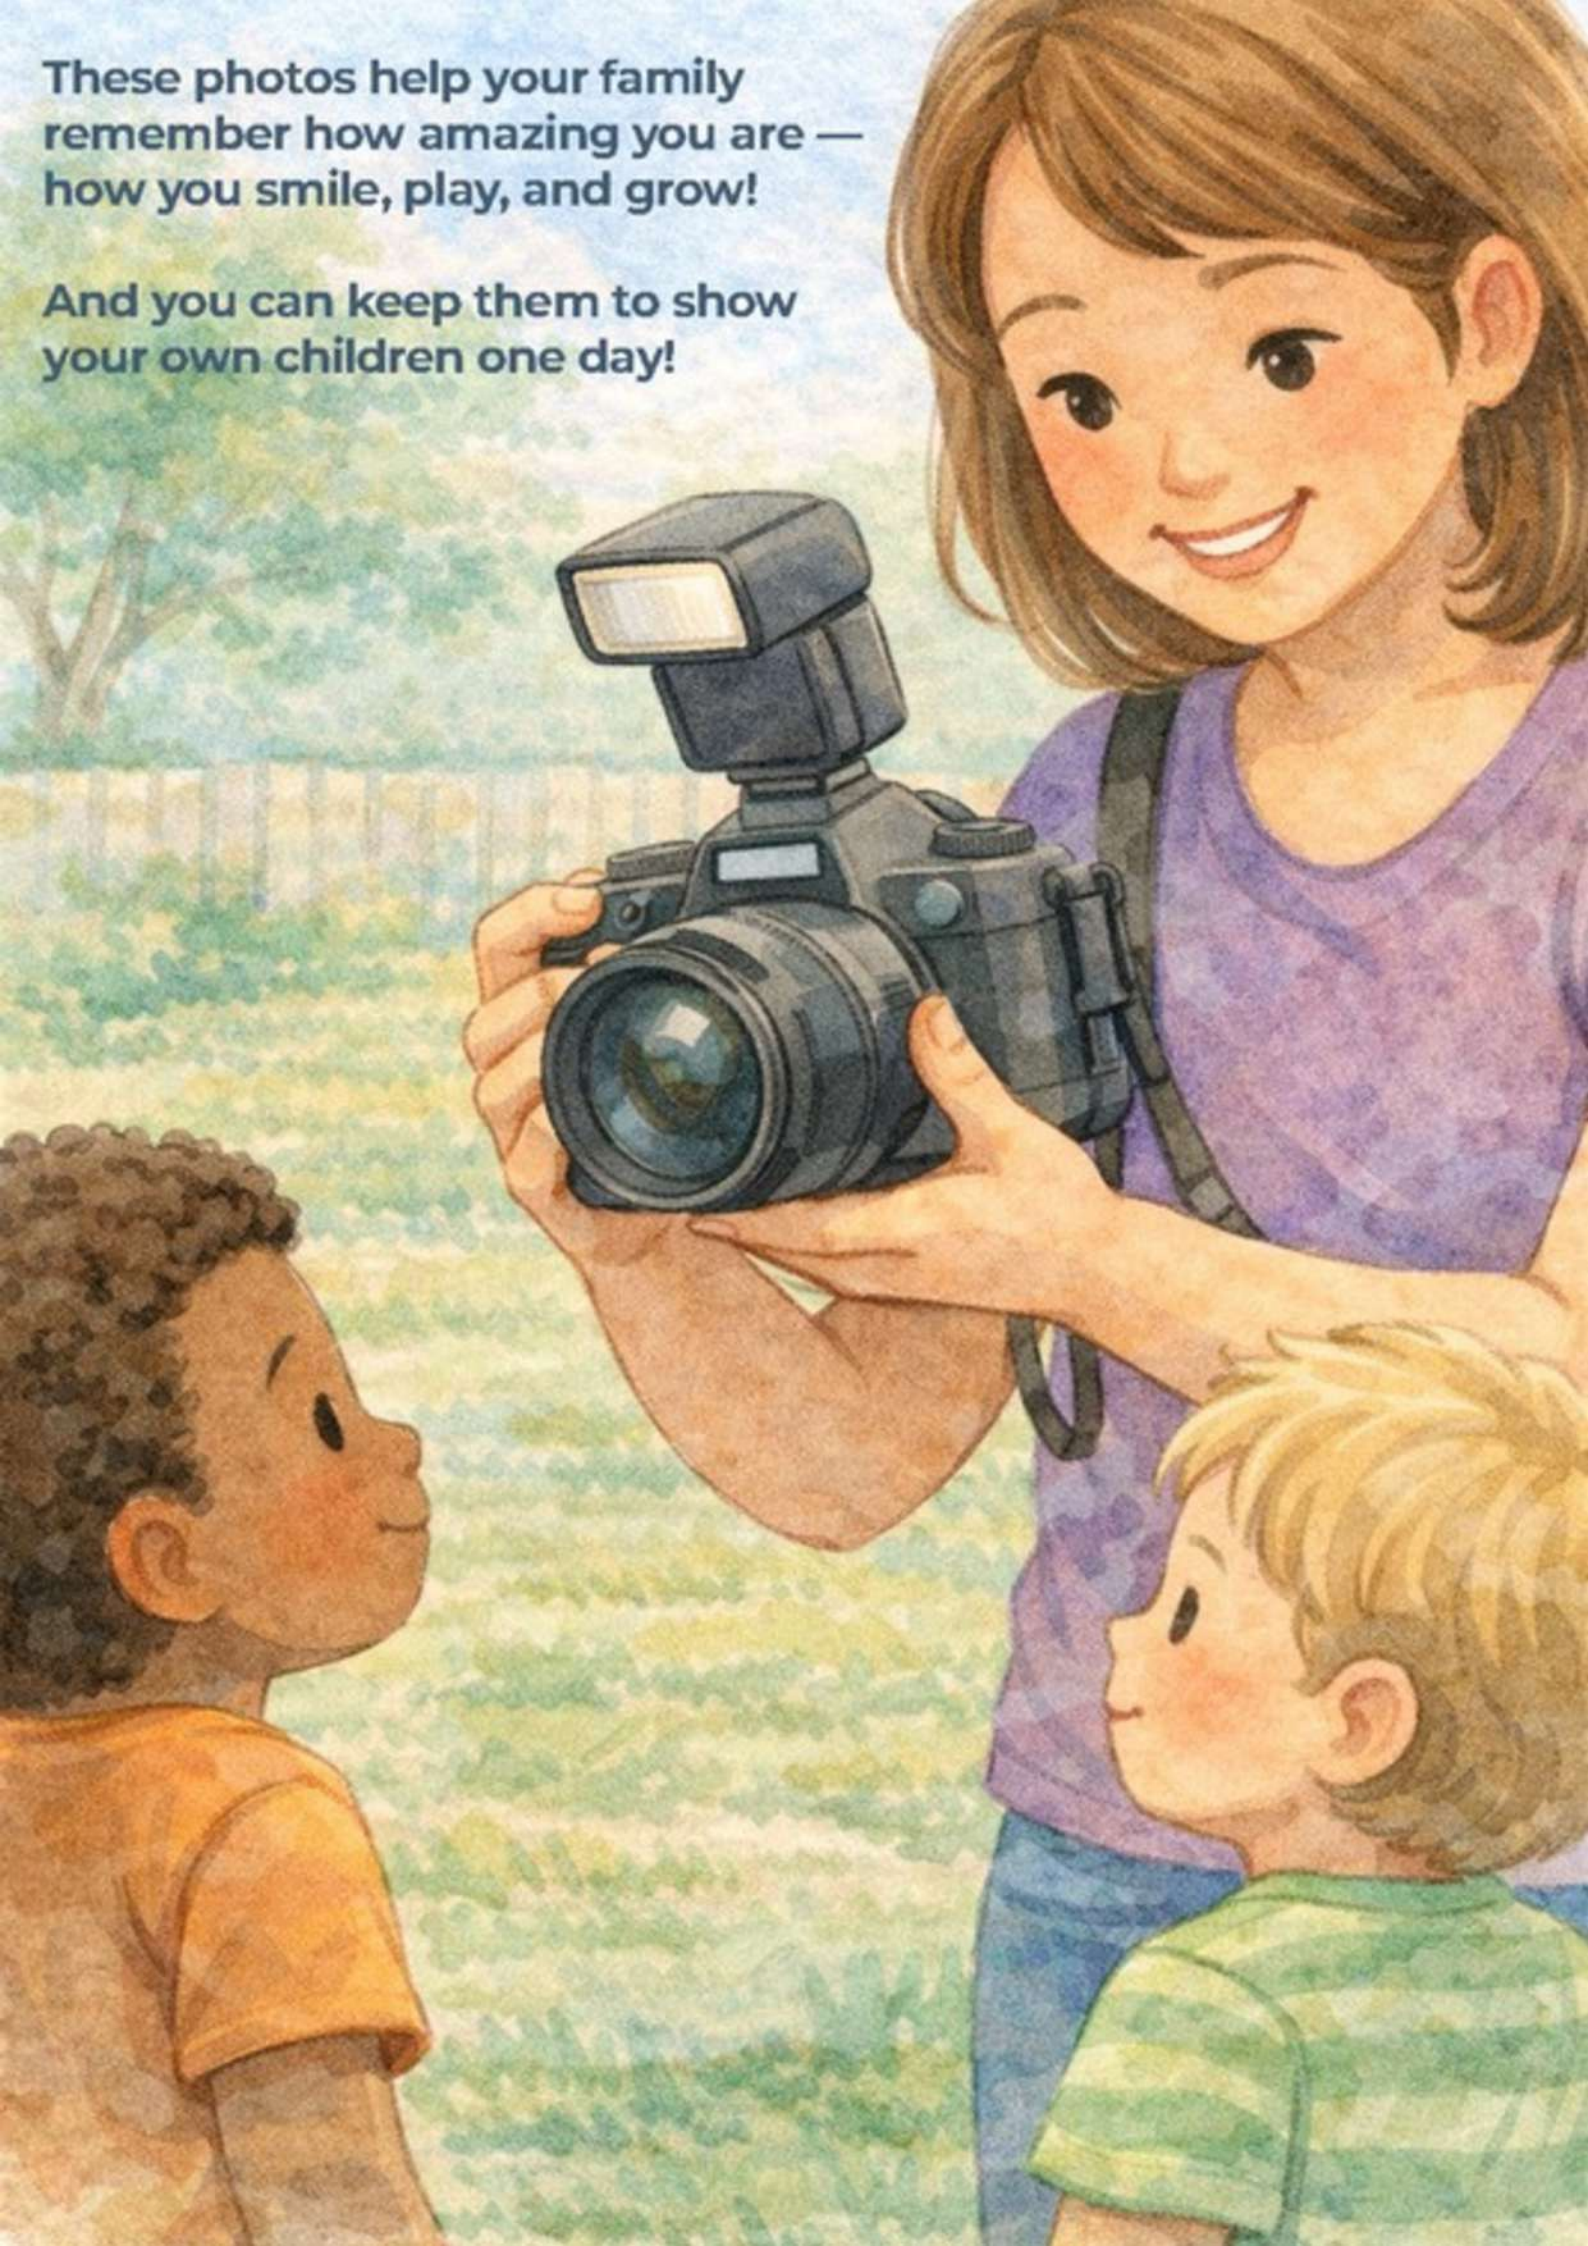

Hi there!
I am a photographer.
That means I take photos with a camera!

**One day soon, I will come to your kinder
or childcare to take some special photos of you.**

These photos help your family
remember how amazing you are —
how you smile, play, and grow!

And you can keep them to show
your own children one day!

There will be a flash will be on top of my camera,
that might be bright but it won't be
pointed into your eyes.

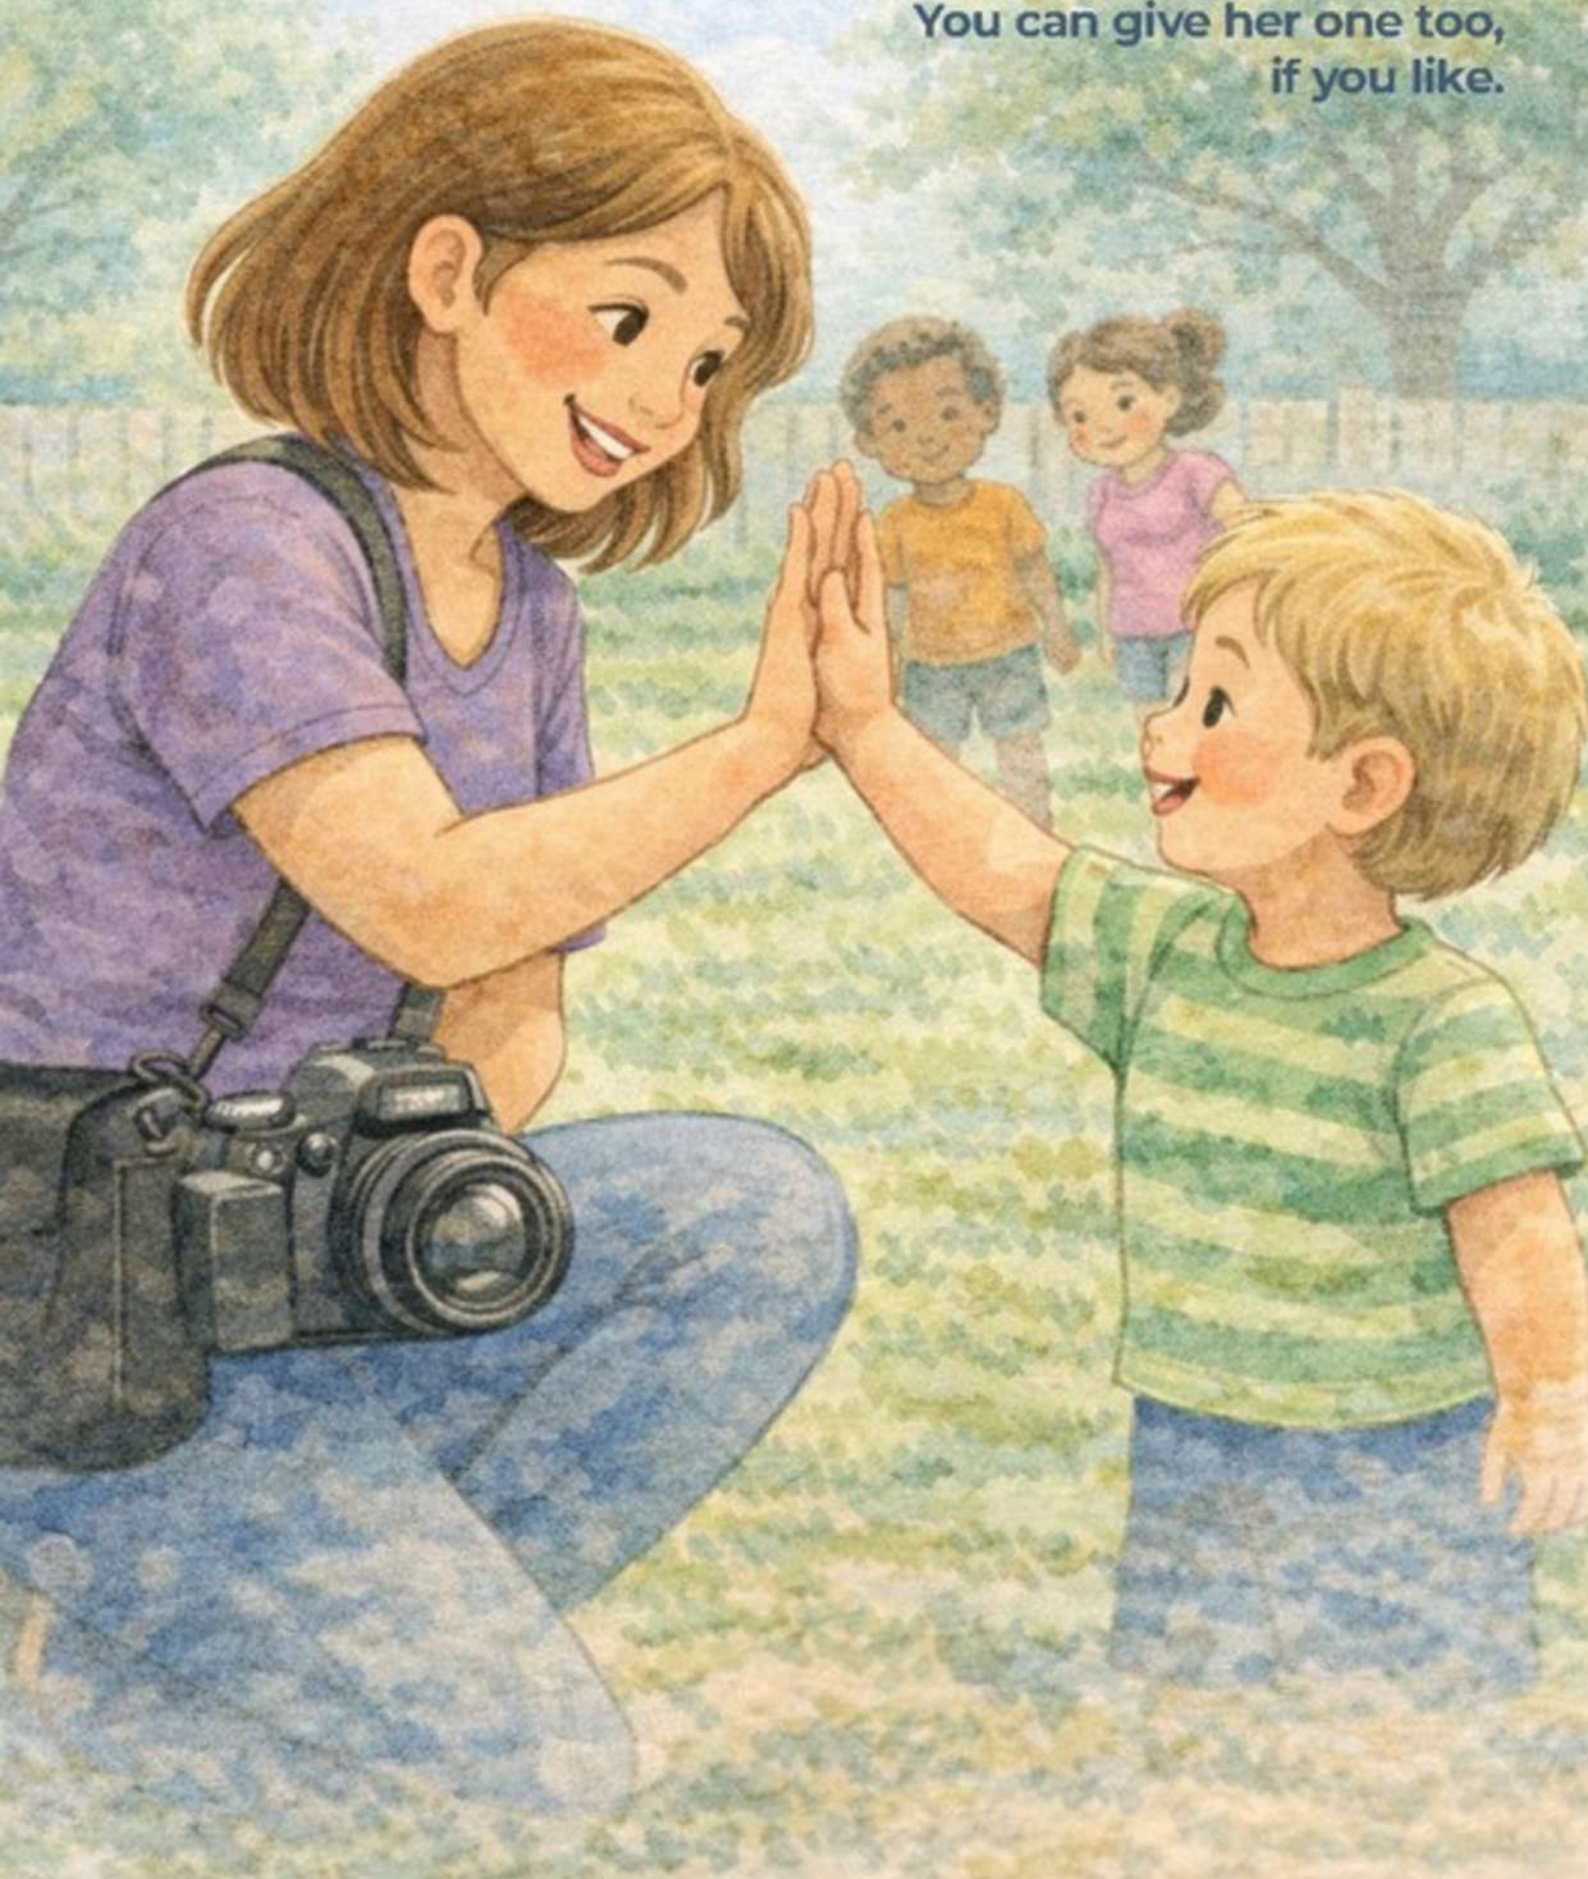

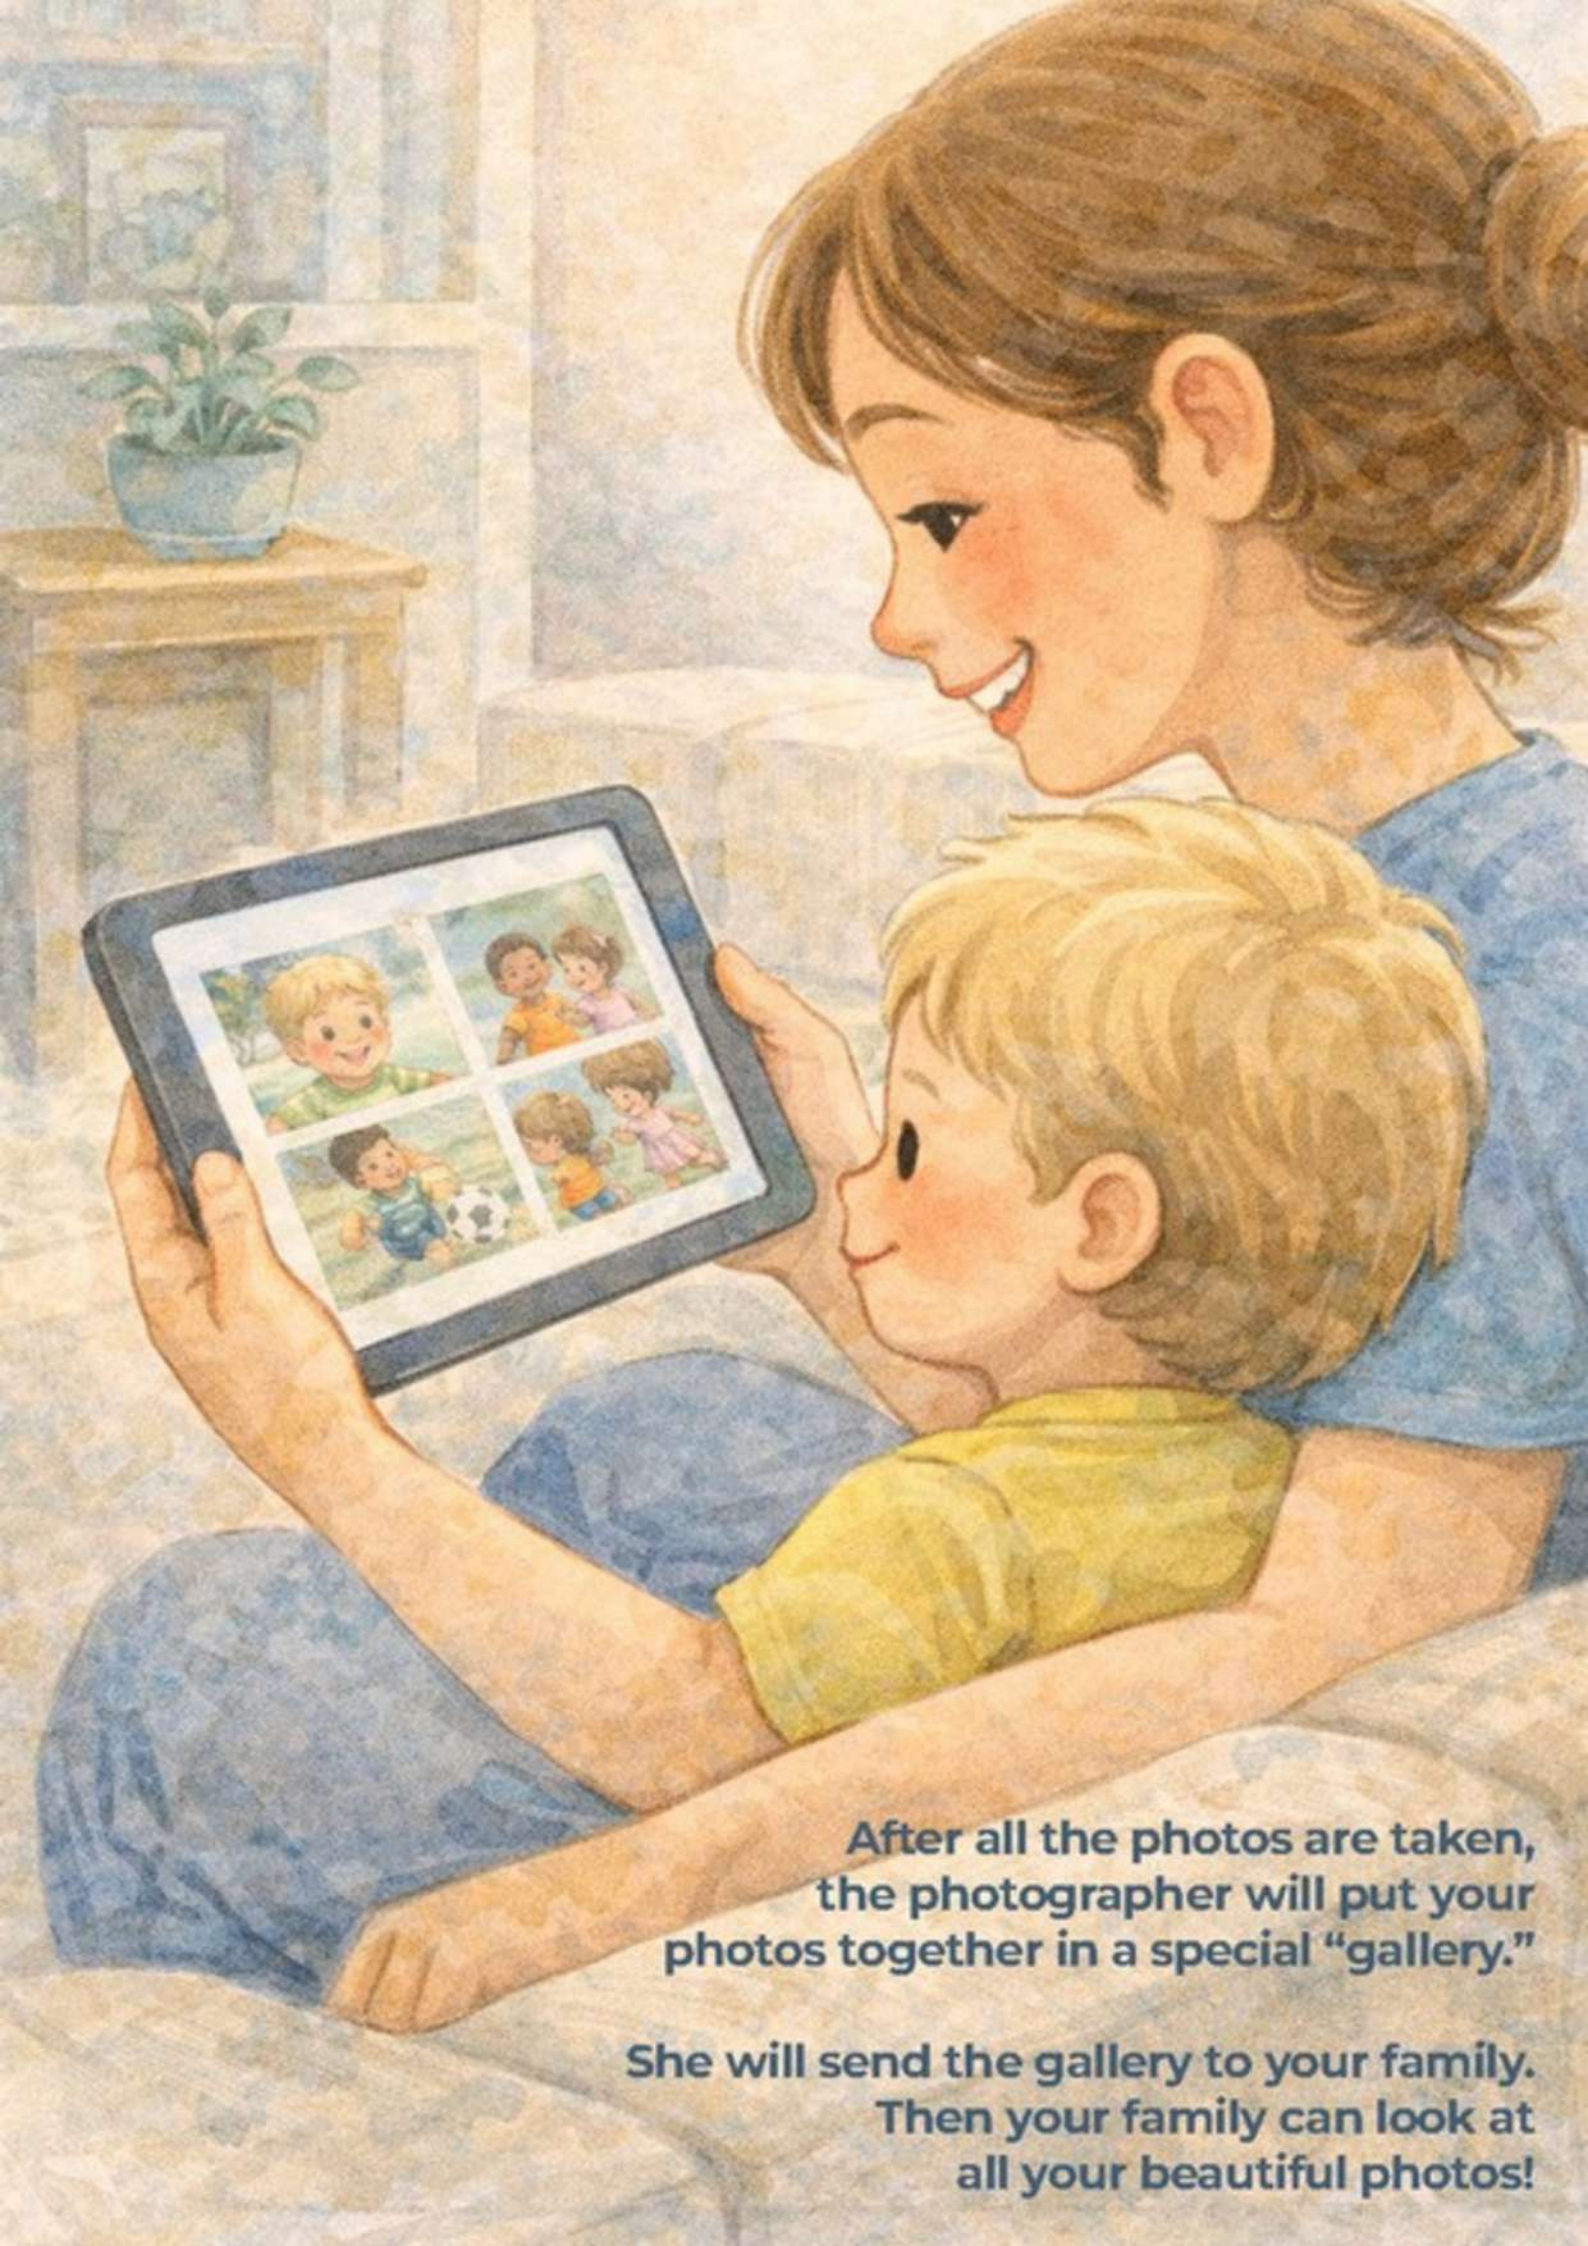

I will be asked to show the photographer
all the things I like to play with in the yard,
like climbing or digging in the sandpit.

The photographer will take photos of me doing this.
I can choose to smile, or just look at the camera.

Once the photographer thinks she has
enough photos, she will let you know.

She will say, "Thank you!"
and might give you a high-five.
You can give her one too,
if you like.

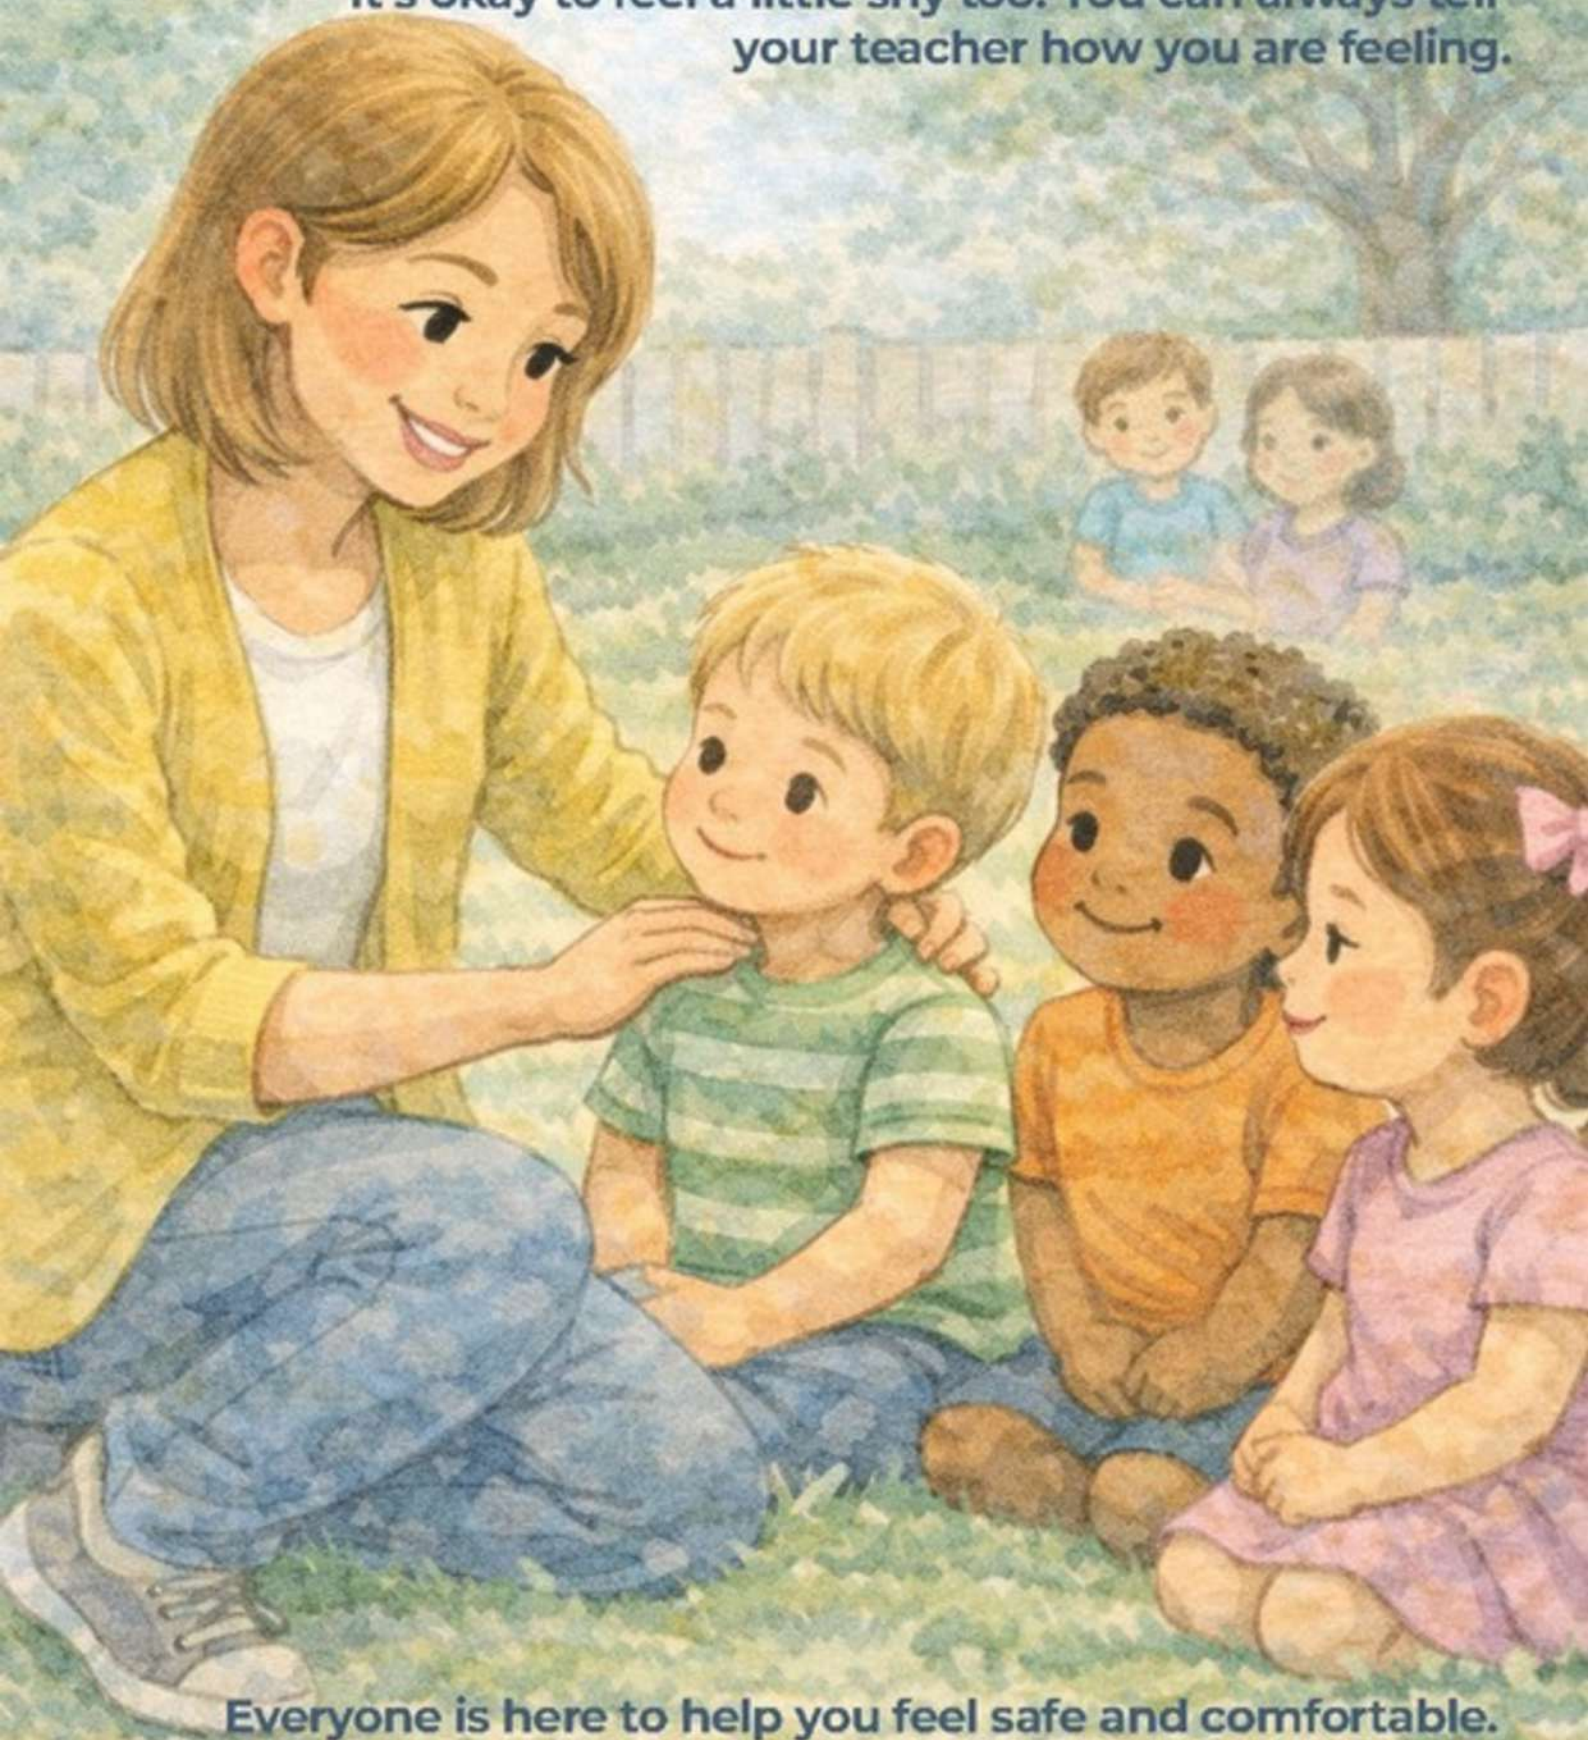

**After all the photos are taken,
the photographer will put your
photos together in a special “gallery.”**

**She will send the gallery to your family.
Then your family can look at
all your beautiful photos!**

It's okay to feel excited. It's okay to feel curious.

It's okay to feel a little shy too. You can always tell
your teacher how you are feeling.

Everyone is here to help you feel safe and comfortable.

You are doing a great job.

And if you feel too uncomfortable to do it,
you don't have to. It is your choice.
